

## SVENSKA RUGBY DOMARFÖRENINGEN SÄSONG 2021

### BULLETIN 1

#### 1. SUMMARY FROM LAST WEEK MEETING

- Sessions will be set up regularly from now every other Wednesday (biweekly) at 1900 for referees.
- Cormac and Julian will look up methods for us to watch more games to add to these discussion points.
- Rami is going to set up some 30 minutes training sessions for us to run online for now, so we can get together and have a fitness session together - Rami will start it but others are welcome to get involved. We will also look into getting more radio equipment, match videos and kit.
- For ALL referees we agreed to use the standard coaching forms Ronnie had prepared last season, and referees are responsible for doing their own match analysis before going to their referee coach for feedback. If you want to get better, then put the work in. Julian can help put you in touch with referee coaches in Sweden, or outside if you want fresh feedback.
- Every referee is responsible to watch more games in order to have constructive discussion on our meetings. Links can be posted on the Facebook page by everyone.

#### 2. NEXT WEEK MEETING

Next week's meeting will be conducted by Elin on Wednesday, Feb 3<sup>rd</sup> at 1900 (CET) through the messenger room of the Facebook group of the SFDR.

This session will cover on field management of players, with a few examples from previous weeks. After that we will plan more discussion and education sessions.

#### 3. COMMUNICATION OF AVAILABILITY

As we have repeatedly asked for, for the correct realization of designations, we must know your **REAL availability** with a certain margin of time.

Every Wednesday you will receive an email with your games. Remember you need to be contacted by the home team manager at least 24 hours of the game (It is their responsibility; this is still the rule for now). We are in uncertain times and the situation may change from one day to the next.

If you have any questions or concerns, please do not hesitate to contact us.

Best Regards,

Elin Persson & Beatriz Nestares Nieto
